## From surfing to sand castels, we structure all activities to age.

ST. JOHN'S SUMMER CAMP offers two age - appropriate summer programs full of fun and adventure. exciting and safe aquatic activities, tree climbing and horse riding are all part of the program.

### Beach Day

2-3 years old

It is designed to meet the unique needs of younger children, many of whom are experiencing the beach and ocean environment for the first time, helping them feel safe and comfortable in the ocean. Group sand games and many more aquatic activities are also part of the program.

### Horse-Riding

2-6 years old

An exceptionally rewarding activity that can equip children with positive skills and a life-long love of horses. Aside from the obvious benefits of good physical exercise, St. Michael's children will enjoy the great land and surroundings of Quinta da Marinha. Horse riding installs many other intrinsic qualities in children, including good co-ordination and balance skills as well as confidence.

### Surf and Bodyboarding Lessons

4-6 years old

Surf and Bodyboarding instructions, group sand games and many more aquatic activities are part of this program. Children will be familiarized with all the surfing equipment and supervised by certified instructors who will teach them to stand up and ride the waves.

### Tree Climbing

4-6 years old

With this program the children are shown how to ascend a tree safely, using simple climbing methods as they are securely fitted into a harness and shown the ropes. All activities supervised by instructors so with the ropes set, you can climb as high as you dare! This is a fun-filled, exhilarating journey where children can experience great views and an even better sense of achievement!
